

# Ties & Counting

We connect 2 notes together with a curved line called a TIE.

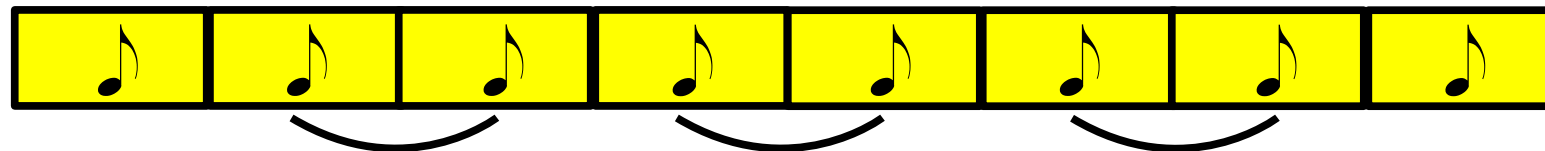

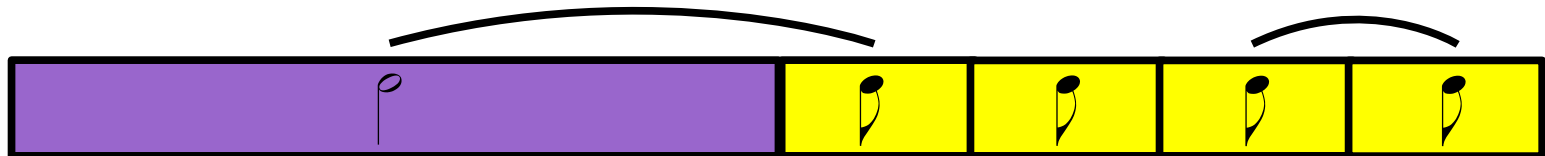

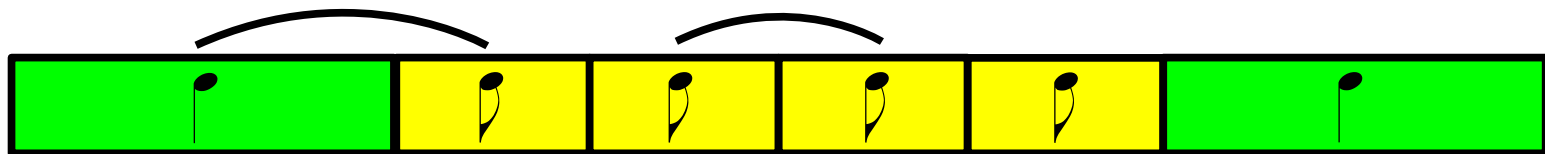

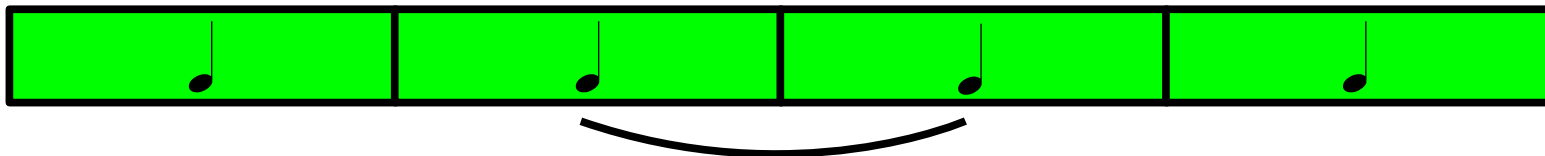

When we use ties, the counting changes. Only the first note is spoken, and is then held out for the length of the tie.

# Counting Exercises

*Directions: Add the counting to each line. Watch out for ties.*

# Composition

Directions: 1) Use only   

2) Each type of note must be used at least twice

3) There must be at least 1 tie on each line

4) Each space must be completely filled

5) Write the counting under each line

--	--	--	--	--	--	--	--

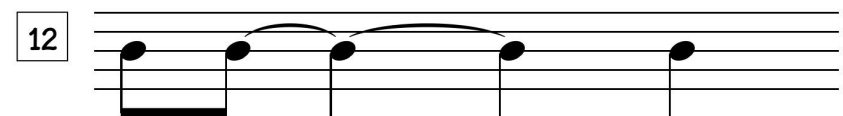

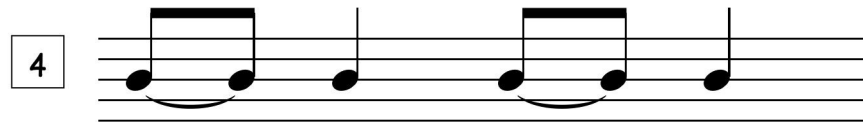

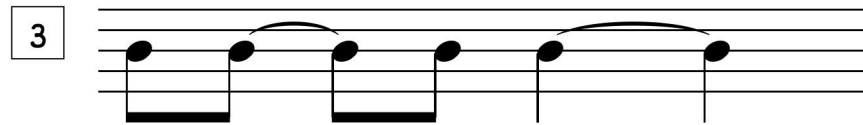

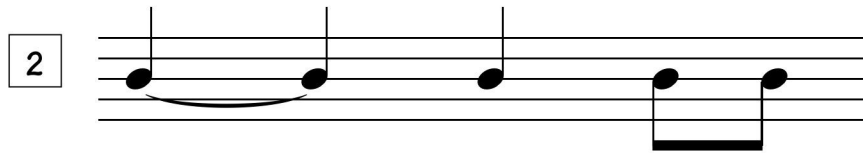

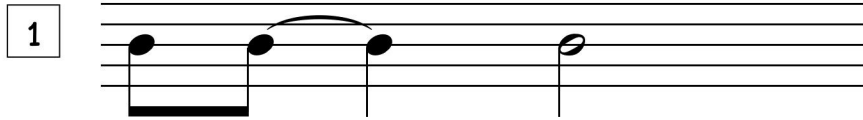

--	--	--	--	--	--	--	--

--	--	--	--	--	--	--	--

--	--	--	--	--	--	--	--

# Extra Practice

*Directions: Add the counting to each line. Count each line 3 times out loud, then play 2 times.*

# Advanced Practice

*Directions: Add the counting to each line. Count each line 3 times out loud, then play 2 times.*
