

Rests

For each type of note, there is a type of rest which lasts for the same length of time. Rests are silent, so they are never counted out loud. They are always counted in your head.

1 whole rest

2 half rests

4 quarter rests

8 eighth rests

Counting Exercises

Directions: Add the counting to each line. Be sure to use parentheses () for the rests.

Extra Practice

Directions: Add the counting to each line. Count each line 3 times out loud, then play 2 times.

Advanced Practice

Directions: Add the counting to each line. Count each line 3 times out loud, then play 2 times.

Composition

Directions: 1) Use only        

2) Each type of note must be used

3) Only 1 whole note can be used

4) Only 1 whole rest can be used

5) Each space must be completely filled
